THE PERFECT DESTINATION ELOPEMENT VENUE

Why not make Maleny Orchard the base for your elopement event? Sleeping ten guests onsite at the farmhouse means your nearest and dearest can be with you on your elopement night. Imagine the intimate nature of having your guests stay with you after your nuptials for a night of celebrating, feasting, drinking and dancing, knowing bed is only 10 metres away for everyone. Then everyone is there with you for breakfast and to enjoy the view the following morning.

Your guests will want to help you create an iconic day- let them help you with the set up, collect rose petals from the garden and finish off your leftover food and wine the day after!
