- Plates, bowls, dessert plates and cutlery

There are no hidden costs with us. The only add on is extra accommodation at \$1,000 per night, if you want it.

The fine print

To secure your dates, we take a \$1,000 deposit from you. This becomes your refundable bond and is repaid to you 3 days after your wedding.

One of us will be your onsite manager on your wedding day. We do carparking duties, drive you round in the Polaris, light the fire pits, keep an eye on the bins and make sure the party winds down at 10pm.

THE PERFECT DESTINATION WEDDING VENUE

Why not make Maleny Orchard the base for your long weekend wedding event. Imagine your guests all rent their own Maleny accommodation, but come and go from Maleny Orchard farmhouse for drinks, breakfast, or just to enjoy the view.

Friends and family can help you with the set up, collect rose petals from the garden and finish off your leftover wine the day after! It's the ideal way to extend your dream wedding, and get to catch up with all your wedding guests properly.
